Please check the video before working on the assignment

<https://youtu.be/Djd7pq8PCzs>

1. Please check the google drive link to download .ipynb files
2. We have given two ipython notebooks
(1.Assignment_3_Reference.ipynb) in which we have implemented countvectorizer ,(2.Assignment_3_Instructions.ipynb) you need to implement tfidf vectorizer, we have given the complete instructions in this notebook

Note-1: Check this to see how to submit an assignment AAIC Classroom

Note-2: If you have used code from somewhere, provide those references or citations. Else it will be considered as plagiarism.

Note-3: Upload both python notebook and pdf version of that notebook

Note-4: For converting Jupyter notebook to PDF please have a look at this link: <https://stackoverflow.com/questions/15998491/how-to-convert-ipython-notebooks-to-pdf-and-html>.
